INDIA MAP

KARNATAKA MAP

Pushagiri Peak (Kumara Parvatha) **Coorg**

Coorg, the paradisaical destination of the Western Ghats, is a beautiful place abound with many beauties of nature.

One amongst them is Kumar Parvatha, which, at 1,712m, is the second highest peak in Coorg and the sixth in Karnataka.

Kurinjal Peak **Kudremukh**

Kudremukh in Chikmagalur is one of the most coveted trekking destinations in the South.

This trek to the top of Kurinjal Peak will pass through rainforests covering the slopes and the trails passing through several streams, to finally arrive at the misty summit.

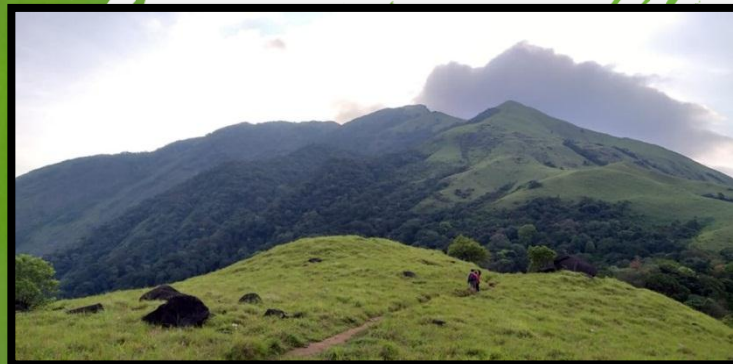

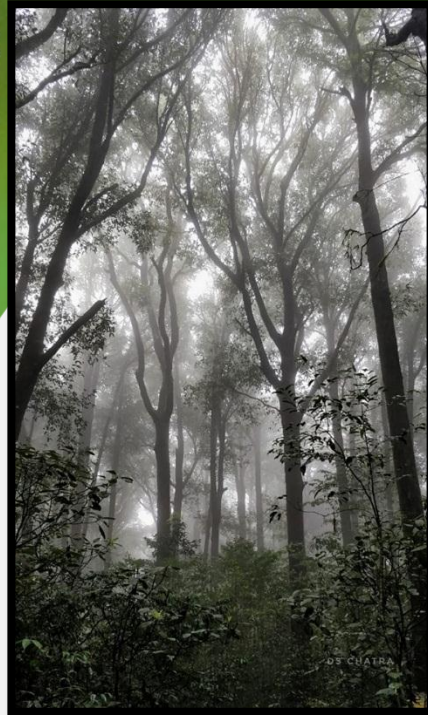

Kodachadri Peak **Shimoga**

Nestled deep in the Western Ghats in the district of Shimoga and being the tenth highest peak in the Karnataka, Kodachadri is one of those peaks where one can experience clouds below the peak.

Kodachadri is home to lush green jungle trails through dense tropical forests, picturesque waterfalls and mesmerizing landscapes

Glimpses of our past Trekking trips

Why us???

01

First to offer:—

Being the **First trek operator** to offer the trek packages to the adventurous trek lovers in Mangalore and Udupi, we understand the needs and concerns of the customers and hence have designed our trek packages to suit all customers.

Why us???

100% Customer Satisfaction record:-

We are proud to have offered most satisfying experience to our hundreds of customers and therefore value our 100% satisfaction record. We aim to reach unmatched professional standards by providing the best guides, itineraries, activities and accommodation at highly competitive prices; we do not cut corners to bring down our rates and compromise on our services, but will guarantee that you every penny that you spend comes with an adventure.

Why us???

03

Local Knowledge:-

We have organized numerous trekking trips and our team of experienced trek guides has also been on multiple expeditions to the trekking sites and are hence fully aware of the vast expanse of the local trekking wilderness. **This especially matters in order to avoid getting lost or if any emergency shall arise.**

Why us???

04

Our trips & Costs:-

Being well aware of the areas gives us the unique advantage to keep our costs lower and thus offer the trek at the most reasonable pricing. Thus ensuring more and more people can try out this wonderful bliss of nature amongst the peaks.

Why us???

05

Safety:-

A trek is fun but along with the adventure comes an element of risk. Our experienced team of trekking guides are well equipped with the knowledge required to make your trekking expedition most risk free. **We do not take second chance with safety of our customers.** Nevertheless, our trekking guides are fully prepared with Safety equipment (wherever required) and First Aid supplies and can take quick action under all circumstances.

Why us???

06

Responsible Tourism:-

We love nature as much as you. We are in the business of trekking to provide the experience to the customers but not at the cost of hurting nature. We ensure zero pollution footprint to the trekking areas. Being part of the Coorg and Chikmagalur Peak conservation team, we advocate sustainable tourism. Therefore, **Littering is strictly prohibited throughout the trek.**

Why us???

07

Social Responsibility:-

In all our operations we utilize many local people for the provision of services to provide economic opportunities in the regions we visit.

We promote friendship and interaction between our customers and local hosts, which can only enrich your experience. We strive to promote environmental and social responsibility, with our employees, customers and locals.

Why us???

08

Accommodation:-

During the trek, your accommodation is arranged in one of the most comfortable and clean local lodges/guesthouses run by local people with shared facilities located very close to the camping site or in Tents depending on weather and other circumstantial conditions. This ensures that are able to **experience the natural surroundings** even during your overnight stay and to enable us reach the trekking site at the most shortest time.

Why us???

09

Communication:-

Our trekking team will keep sharing various fascinating facts of the areas and peaks throughout the trekking trail. They can communicate in English, Hindi and Kannada and therefore this ensures that you do not miss out on any experience due to any communication barrier.

Why us???

10

Fast response time:-

Whether you are just looking for the information or booking your trip, we guarantee the fastest response time. For this we provide quickest assistance through whatsapp chat support. Even during the trek, we provide you with our emergency number for contact. If you are in need of any kind of managerial assistance, then we guarantee to get back to you as early as we can.

Why us???

Flexible and personalized service:-

Though we have lined up and fixed dates of our treks, we are also open to have separate treks on other dates if numbers permit. When it comes to organizing your trip and itinerary; we are open to discussion so that our clients may have a say in their travel plans too. Tell us what your needs and goals we design a package that suits the best for your tastes. Every program is **tailor designed** to meet your needs. Our guides will make sure that you get all the attention you require. Since we operate **small groups**, it helps to remain focused on your goals and provide you services with human touch.

Why us???

12

Suitable for all gender and age groups:-

Our packages are designed to suit both male and female trekkers and various age groups. We recommend age groups between 10 to 55. Season Tours and Travels reserves the right to refuse any customer at any time without specifying reason if deemed unfit.
